

January is the beginning of the new year. Words for January come to mind such as new, fresh, begin, resolve. The word I decided on for January is “first” – first month of the new year. All the passages will contain the word “first.” Most of the passages will not talk about things that are new or first. In fact, you’ll find a huge variety of types of passages. But, they will all have the word “first” in them. One thing is for sure, this month’s readings will bring you through the entire Bible with everything from Old Testament sacrifices to New Testament patterns for the new life in Christ. Quite a variety. Enjoy!
