New Community Church

September 2019

spirit of giving

This month's readings will not be tied in with something unique about September. Rather, the readings will reflect and contain a theme that will be happening in our church in the coming months – giving. Our church will embark soon on a campaign of giving because of upcoming necessary expenses such as our parking lot. The September passages will all contain words such as give, giving, and gave. Some passages will talk about God giving, while others will talk about how people give to God and other people and/or how we should give.
